BOMAZEEN CLEAN-UP DAYS

From Pete Myers:
The following are the dates I have for November 9th, 16th, 23rd, 24, and 26th that we will have a work crew available to help with improving the appearance of Camp Bomazeen. On week days the times should be 0800 to 1400 (2:00 PM) on weekends the day would be 0800 to 1200.

Our need is to have someone there as overseer and make sure the tools are taken care of. No physical work required. I can not be there every time as in the past so some assistance would be greatly appreciated. I would not want to have to cancel this program

Please contact me @ 512-8326 if you can help.

Thank you.

Take care,

Pete
