BOMAZEEN WORK CREWS

BOMAZEEN BEAVER DAY

BOMAZEEN WORK CREWS

From Pete Myers (pete36myers@gmail.com):

**How do we make our camp something everyone wants to be a part of?
First we build our own successes!**

One pathway to success is **Curb Appeal**. Making sure trees and vegetation are trimmed back and up where appropriate. Removing "invisible" garbage laying about the camp. Over time, we become accustomed to seeing this stuff in the same spot, and it gradually becomes invisible to us..... **but** not to campers, parents and guests who are left with the impression of a messy camp! So let's make sure our camp is clean, well-maintained and unclut-tered both inside and outside of our buildings by helping guide the work crews at our camp. The dates of the crew's schedules have changed as indicated below..

NEW: Up dated schedule for crews working on **CURB APPEAL** at Camp Bomazeen. Come be part of the **C A** team.

April: 13th, **May:** 14th, 15th, 16th and 25th and 30th. **June:** 3rd, 4th, 25, 26th and

28th **July:** 10th & 11th, **August** 18th & 19th **Sept:** 22nd, 23rd and 24th

As you will note we have 12, that's twelve working (Beaver Days) to work crews at our camp **before** July. On the average there are ten people to a group and they work about six hours a day. With those many hours we can get a whole boat load of things accomplished **now**, before camp. Give me a call, [207-512-8326](tel:207-512-8326) and become a supervisor for a day and together we can make this happen ASAP. Any suggestions, advise, concerns or complaints are welcome and will be addressed when presented.

Thank you.

Take care.

Pete.
