Normally, people want to hear the good news first. I'm going to do the opposite:

**BAD NEWS: MOOSEHORN 2014 IS CANCELLED!!!!**

It is with great regret that I must inform you that Moosehorn International Camporee, one of the longest continuously run camporees in the country (since 1962), is cancelled for 2014.

Due to dwindling registration numbers and some real life issues, those who normally plan Washington District's annual fall camporee could not do it this year. We received the word about this Thursday morning, 9/11. I held off on passing it on (except on Facebook) as some other leaders tried to pull things together for Moosehorn, but just couldn't quite do it.

Word has it some units who planned on going to Moosehorn may plan to camp out to Cobscook Bay State Park that same weekend, 9/26-28. Contact Chris Bernier at [circleofone555@hotmail.com](mailto:circleofone555@hotmail.com) for details and learn whether or not it will happen.

**GOOD NEWS: K-VALLEY FALL CAMPOREE INFO PACKET**

The full information packet for the K-Valley Fall Camporee will be posted to the District Website shortly. It should also appear on our Facebook page shortly. Learn everything you need to know about the fall camporee.

Remember, the early bird deadline is 9/19. A scout is thrifty. Register early and save \$\$\$.
