Hello Everyone,

My name is Pete Small and I am your new KV-Newsletter Editor. I will be putting out a newsletter 3 times per month, much like Scott Bernier did with the exception of the day. Newsletters will go out every 1st, 2nd, and last Friday each month. I ask that if you have any submissions for the newsletter, that they be sent to me by Thursday afternoon @ 3:00pm to allow me to put it together. My email address is peter.r.small.sr@gmail.com.

Thanks,
Pete

NEW COUNCIL CAMP BOMAZEEN FACEBOOK PAGE

If you're on Facebook, you might be familiar with the Camp Bomazeen page where those who have attended camp can post about their experiences. Up until now, it has also been the de facto page to announce things happening at camp and fundraisers. Not anymore. Now, Council has a dedicated camp page where you can get the latest on cabin construction and other projects at camp along with summer camp announcements:

AFS looking for Scouting family to take in Exchange Student

AFS-USA works toward a more just and peaceful world by providing international and intercultural learning experiences to individuals, families, schools, and communities through a global volunteer partnership. The Downeast Maine AFS team is looking for a host family for Jose from Chile. Jose likes to play soccer and tennis and his favorites subjects in school are math, physics and chemistry. He has been a boy scout since 2012 and really enjoys going to camp and participating in the many projects and activities and learning responsibility and how to help others. Jose is a semester student so will be in Maine from mid-August through mid-January. We thank the scout leaders of Kennebec Valley for their help and consideration!
